Re: Scavenger License

The Village Code has no limit on the number of scavengers permitted to operate in the Village. A preliminary review among consumers indicate that personal preference and types of service does not support a single service. However to avoid an every expanding list of companies and than the associated, consumer based issues, the proposition is to amend Section 7-3-2 to a limit of four licenses.

7-3-2: APPLICATION FOR LICENSE:

Any person desiring a scavenger license shall make application therefore to the village clerk. Upon the receipt of such application, the village clerk shall make or cause to be made, an investigation into the character of the applicant. Licenses shall be issued only to persons of good moral character, and only to corporations whose officers are persons of good moral character.
